- Rebar deliveries will continue early mornings before 7:00 am, with unloading on Terry Ave.
- Concrete trucks will be arriving throughout normal working hours over the next two weeks for shotcrete and column pours.
- Loaders and Excavators will be mobilized on-site to complete our Cap Break Layer the week of March 11th, where we will have flaggers to coordinate traffic while vehicles and equipment are loaded/unloaded.
- On Thursday, March 21st, Slab on Grade will be poured which will require concrete trucks coming and going for the entirety of the day.
