

UPDATE

[View this email in your browser](#)**Wednesday, February 6, 2019**

This weekend, **Saturday, February 9th**, we will be performing the second of two extended pours as we lay our foundation down. During this time, we will require the closure of Columbia and Terry with a sidewalk closure on Columbia for the total duration.

Pumping on these days will begin at 1:00 am and proceed until 1:00 pm to minimize traffic disruptions, with finishing work going until 6:00 pm.

Please note that due to the forecasted inclement weather, this work may have to be rescheduled. If it is rescheduled, we will revise a notification with the new schedule and advise you as soon as possible.
