

UPDATE

[View this email in your browser](#)**Friday, February 8, 2019**

Due to the forecasted weather, we are rescheduling the second of two extended pours as we lay our foundation down, to **Monday, February 11th.**

During this time, we will require the closure of Columbia and Terry with a sidewalk closure on Columbia for the total duration.

Pumping on these days will begin at 6:00 am and proceed until 9:00 pm to minimize traffic disruptions with finishing work going until 12:00 am.
