Monday, February 11, 2019

Due to more inclement weather, we will be rescheduling the second of two extended pours as we lay our foundation down, to **Saturday, February 16th.**

During this time, we will require the closure of Columbia and Terry with a sidewalk closure on Columbia as well for the total duration.

Pumping on these days will begin at 1:00 am and proceed until 5:00 pm to minimize traffic disruptions with finishing work going until 1:00 pm.
